June 2005

Gosh - there was a bit of education going on in the Village Hall on Monday night, when Isabelle Boscaro-Clark from Diamond Light Source at Harwell gave a presentation on the Synchrotron project to the Annual Parish Assembly - no excuses now for not knowing what they're up to over there, tho' we can't claim to have understood absolutely all of it, it was a very informative and interesting talk, and full marks to the organizers.

### Plant and Cake Sale

On a rather damp Saturday in May a plant and cake sale in the church raised £400 for general church funds. With the Chelsea Flower Show just around the corner people took inspiration from Veronica's well set-out plant stall! As always the stalwarts baked some fantastic cakes and games were run for the children. Thanks to all who ran the stalls and those who donated the goods. The £400 raised will help All Saints' rather anaemic general finances.

### Vehicle Crime is a serious problem

Did you know that vehicle crime accounts for one fifth of all crimes recorded by the police? The cost of vehicle crime affects all owners because the more claims the insurance companies deal with – the more the premiums go up for everyone. But you can stop your vehicle being the next on the criminals list by taking some very simple precautions that are free or cost only a few pounds.

How to stop property being stolen from your vehicle. Remember that your vehicle is like a shop window for thieves. If you can see any of the property left in the vehicle you are inviting the opportunist criminal to steal them:

- briefcases
- CDs and tapes
- cheque books
- coats ( old and new)
- credit cards
- handbags
- loose change
- mobile phones
- shopping bags
- sports bags and equipment
- wallets
- cameras

Remember, even if you know that the items left on display in your car are worthless the opportunist thief doesn't. If you have to leave items in your car, put them out of sight at the start of the journey.

Make sure that your property is etched with your postcode or house number. This will help the police return it to you in the event that it being lost or stolen. It will also provide evidence that the property is stolen and help the police to get a conviction.

Lock all doors, close all windows and shut the sunroof every time you leave your car – no matter how briefly. Many cars are broken into in the few seconds it is out of the drivers sight.

Buy a tamper proof tax disc holder. Hundreds of thousands of tax discs are stolen every year, and a tamper proof disc can deter a thief from breaking into your car – saving you repairing a broken window or door lock and replacing the disc.

### Mobile Phones

Beware.....Nearly 4,000 drivers have been fined by Thames Valley officers for making a phone call whilst driving in the first year since new legislation came into force

## WEST ILSLEY VILLAGE FETE PRODUCE SHOW 2005

I hope that you are all preparing your entries for this years' Village Fete Produce Show, which is now only a few weeks away. More people than ever seem to be growing their own vegetables and I know that many of you are keen gardeners – so please make an effort to enter the show. It's great to see the tables stacked with entries on the day and it costs nothing to enter. All you have to do is simply write down the category number and your name on the labels provided, and then stick them to the underside of your entries. Children should write their age down too. To help you out, the categories and instructions will be posted in the marquee on the day. Entries will be accepted until 1pm and the judging should be finished by 2pm. There

will be prizes and rosettes for the best children's exhibits, and cups will be awarded for the overall winners in the Homecrafts, Flowers and Ornamentals and Fruit and Vegetables categories. Don't forget there is a cash prize for the winner of the men-only challenge! This is the most hotly contested prize in West Ilsley, so make sure you are in with a chance. Keep your garden looking good too as there will be a cup and a prize for the Best Kept Garden and Best Hanging Basket. You don't need to enter for this category; the judges will be stopping by every house in the village and making their decision on the weekend before the village show. The judges value your privacy, and will judge your garden as viewed from the edge of your property, unless you leave a note on the gate to say that it is OK to enter! If last years' cup winners could return their cups to Tanglewood one week before the show I would be grateful.

The men-only challenge is to make Shortbread this year. Making shortbread is quick and easy, and it tastes good too! You can use any recipe you like, but if you don't have a recipe then this one may help:

#### **Recipe for Shortbread**

225 g (8 oz) butter  
 125 g (4 oz) caster sugar  
 225 g (8 oz) plain white flour  
 125 g (4 oz) ground rice or rice flour  
 pinch of salt  
 golden granulated sugar for coating if you want to be flash  
 caster sugar for sprinkling

#### **Method**

Make sure all the ingredients are at room temperature. Mix the butter and sugar with a mixer or processor (or by hand!) for a few minutes until pale and fluffy. Sift the flour, ground rice and salt into the butter and sugar mixture and then mix in until the mixture looks like breadcrumbs.

Gather the dough with your hands and knead very lightly until it forms a ball, then roll into a sausage shape about 5 cm or 2 inches in diameter. Wrap in cling film and refrigerate until firm

Unwrap the dough and slice into discs about 7-10 mm (1/3 – 1/2 in) thick. If you wish, roll the edge of each shortbread disc in golden sugar to coat. Place the biscuits cut side up on baking sheets lined with greaseproof paper.

Bake in a pre-warmed oven at 190 deg C (375 deg F, Gas Mark 5) for 15 – 20 minutes until very pale golden in colour. Sprinkle with caster sugar on removing from the oven. Leave on the baking sheet for 10 minutes, and then transfer to a wire rack to cool. This should make 18 – 20 biscuits, so choose your six best biscuits to bring to the show and eat the rest!

Below are the produce show classes for 2005. There are some new entries for the children to enjoy and some old favourites too. If you have any questions, then please contact Karen Miller on 281876. Enjoy the preparations, and I look forward to seeing all your entries this year.

### CRIME REPORT

*Our thanks to PC Andrew Buckingham who emails us with his NWN article, from which we extract items which may be valuable in keeping villagers alert to what's going on in the area:*

#### **5<sup>th</sup> May**

Although 'road rage' is not a specific offence it can be intimidating and frightening for the victim and such behaviour could encompass offences under the road traffic and public order acts. If confronted by a road rage incident, consider the following advice:-

- ✓ Stay calm and don't react angrily with violent gestures. Diffuse the situation and let them overtake or have the parking space.
- ✓ Should the situation escalate, pull over where there are other people around.
- ✓ Don't leave your vehicle; keep all doors and windows locked.
- ✓ If you are in fear for your personal safety and it is safe to do so, make a note of the number plate and the description of the driver, if you have a mobile phone call the police.

A trivial incident could trigger a road rage situation so to reduce your chances of becoming a victim, drive with consideration for other road users and keep your distance.

#### **Crime Report**

Between 4.15pm and 4.40pm Monday, offenders smashed the window of a black Audi Estate parked in Snelsmore Country car park and stole a pair of binoculars.

Between 1pm and 4.30pm Monday, a red Ford Escort was damaged when the vehicle was scratched down its entire nearside.

Between 4.50pm and 5.50pm Saturday, offenders smashed the window of a grey Ford Focus parked in the Ridgeway car park on the B4494 Farnborough and stole a holdall which was later found minus its contents on the B4494.

Between Thursday 28th and Friday 29th Rushmere Stables Ermine Street Lambourn Woodlands was broken into and a generator was stolen.

During the past week there have been numerous reports of youths riding motorcycles/mini motor bikes/quad bikes etc illegally in Lambourn, Gt Shefford, East and West Ilsley. Over the coming weeks local officers will be paying particular attention to these areas and anyone found using one of these machines could find themselves giving an explanation to a magistrate.

#### **10<sup>th</sup> May**

Between Last Thursday and Friday a blue and silver 'Kraken' mountain bike was stolen from outside a property on the Hampstead Norreys Road Hermitage.

#### **19<sup>th</sup> May**

Whilst I imagine that thousands of people have met loved ones through dating agencies there are inherent risks when meeting a stranger for the first time.

By following some simple guidelines these risks can be reduced.

- ✓ Arrange to meet in a busy public place and if you have a mobile phone take it with you.
- ✓ Consider taking a friend along on the first meeting and arrange to meet again at a pre-arranged time and location.
- ✓ Tell someone where you are going, who with including their name, phone number and address and when you'll be back.
- ✓ Don't accept a lift or an invitation back to their home and don't extend an invite back to your home either.
- ✓ If you feel unsure about someone, there may be a reason, don't give them personal details about yourself and don't arrange a second date.

#### **Crime Report**

Saturday between 5.30pm and 6.20pm a silver Renault Clio had the drivers door lock forced whilst parked on Inkpen common.

Friday between 5.10pm and 5.25pm the front offside window of a black Mercedes was smashed whilst parked on the West Ilsley Road. Thieves stole a handbag which had been left covered on the floor. Again during the same evening between 6pm and 6.20pm thieves entered a grey Peugeot estate whilst parked by the Inkpen Gate on Hungerford Common and stole a handbag which had been placed under the driving seat. As you can see there have been a number of thefts from cars this week and even though 'handbags' have been concealed, thieves have found them. Please remember to remove all valuables from the car, a handbag hidden under the drivers seat is the first place a villain will look.

**26<sup>th</sup> May  
Crime Report**

Shortly before 1am on Saturday offenders ram-raided Wilson's Convenience Store in Fairview Road, Hungerford using a stolen Mitsubishi Shogun. In an attempt to steal the cash point machine a metal cable was placed around it and attached to the vehicle. They did not manage to steal the cash point but did escape with an unknown amount of cash once the cash point was forced open. The stolen vehicle, which was later found abandoned in Priory Road, Hungerford. Anyone with information should contact DC Tomblin Newbury CID on 08458 505 505.

**Lambourn armed robbery – do you know this man?** This is an electronic likeness of a man Newbury CID wish to speak to about an armed robbery in Lambourn on Tuesday (17/5). Two men who were involved in the robbery, where a knife was held to a woman's throat and a five-figure sum stolen. The men are both

thought to be of Eastern European origin. One was pale skinned; about 5ft 6ins, of medium build, with fair cropped hair and long sideburns. He was in his early 20s and spoke with an Eastern European accent. It is this man who is featured in the electronic likeness. The second man was taller, around 5ft 10ins, aged in his early 20s with tanned olive skin and dark hair which was short and wavy. He was wearing a blue nylon jacket and had dirty fingernails. This man threatened the woman with a knife.

Investigating officer DC Jason Watkins said: "This was a serious crime which has elements to it which we would rather not reveal at the present time. There was no sexual motive. But the crime is unusual in its nature and we need people to come forward if they recognise the men in the descriptions.

Anyone with information should contact DC Watkins on 0845 8 505 505 Again in Lambourn PC Tim Offer from Hungerford would like to hear from anyone who saw a youth with a fire extinguisher during the evening of Wednesday (18th) in the vicinity of Close End/Station Road area.

During the afternoon of Thursday (19th), fifteen cartons milk belonging to the playgroup were stolen from outside the Village Hall Chaddleworth. When the theft was discovered a vehicle was seen to drive off containing local youths.
