### EDITORIAL POLICY

We are editors (though we don't edit unless we have to) – we are not reporters, so we only write something if we want to. We rely on villagers to contribute news and information and welcome updates from groups, committees and businesses to let the village know what is going on in their area of interest. We are always happy to receive feedback about WIN so please get in touch if you have anything to say.

### DISTRIBUTION

Our aim is to reach every dwelling in the village. Most homes have signed up to receive WIN by email, but for those who haven't, the Parish Council produces paper copies which are delivered by volunteers. If you have received a paper copy of this newsletter but have access to email, please join the email distribution list by contacting [westilsleynews@westilsley.org](mailto:westilsleynews@westilsley.org) – help to save paper and shoe leather!

### NOISE NUISANCE

Recently, several residents have approached the Parish Council regarding the disruption caused by parties within the parish that continued into the early hours of the morning. The Parish Council would like to request that everyone is respectful and considerate of their neighbours and all other residents of the parish. This can be achieved by reducing loud noise to an acceptable level at a sensible time to ensure that everyone can obtain the rest they need.

Sarah Marshman, Parish Clerk

### UPDATE FROM CLLR CAROLYNE CULVER

Dear Residents

West Berkshire Council issued an important press release on 22 August saying the following.

'West Berkshire Council has implemented an action plan to reduce spending this year as it continues to be affected by rising inflation, increasing customer demand and a challenging job market. Spending reductions will be focused on internal measures with frontline services remaining available to the public and future spending prioritised towards supporting our most vulnerable residents. Forecasts earlier in the year showed an £8.7m overspend by year-end but measures put in place already have reduced this to £6.3m. The ongoing benefits of this work together with new measures should deliver a break-even position by the year end. The overspend is being driven by an increasing demand for social care as well as the increasing costs of providing the care, the cost of delivering Home to School Transport as well as the impact of inflation and high levels of agency worker costs.'

Please look on the council's website for the full text of the press release.

As chairman of Scrutiny Commission I will soon be chairing a series of meetings focusing on lessons learned from the covid pandemic. On 14 September senior police officers will be attending Scrutiny to give an annual update. On 11 October Thames Water and the Environment Agency will be attending Scrutiny to answer questions about sewage and investment in infrastructure. Over the coming months we will also be scrutinising the Council's financial reports and looking at its equalities framework. I have been contacted by many residents asking for a variety of issues to be tabled at Scrutiny. All meetings are open to the public. You can attend in person or watch on YouTube. Scrutiny does not dictate what the council does, but it can challenge decisions and make recommendations. I continue to be a member of the Western Area Planning Committee (WAP). As I write this, I have been preparing to speak at WAP about the latest round of planning conditions for the Compton Animal Institute site, where 160 houses will be built after the current

buildings are demolished, plus the renovation of the sports hall at the Downs School in Compton. West Berkshire Food Bank provides emergency food to local people. Please see <https://westberks.foodbank.org.uk/> for more details about how to be referred to the service and collection locations. You can also donate to the food bank. Their phone number is [01635 813390](tel:01635813390) and their email is [info@westberks.foodbank.org.uk](mailto:info@westberks.foodbank.org.uk) Information about benefits can be found at <https://www.gov.uk/browse/benefits/low-income> The Citizens' Advice Bureau can also advise you via [01635 516605](tel:01635516605).

Don't forget that you can report problems including fly tipping, unemptied bins, and pot holes via [www.westberks.gov.uk/reportaproblem](http://www.westberks.gov.uk/reportaproblem)

Alternatively,  
email [customerservices@westberks.gov.uk](mailto:customerservices@westberks.gov.uk)  
or call 01635 551111.

If you don't get a satisfactory response let me know. For information about road works (eg utility companies digging up roads) please look at One Network <https://uk.one.network> which contains a map where you can search for details of what is happening in the area.
