## THE DOWNLAND VOLUNTEER GROUP

### What is the Downland Volunteer Group?

Founded in 1986 the DVG is a voluntary group which, in return for a donation towards our costs, assists with the transport needs of people living in the Downland area.

### I'd like some help - do I have to be retired to use the DVG's services?

No – we help people from all age groups however we are unable to carry child seats and booster seats. Our constitution states that we are here to help people who are “elderly, sick or disabled or who are otherwise in need”. So if you or a friend or relative think that we can help you, telephone the office and discuss it with us to find out more. Examples of where we have been able to help include going to hospital, visits to the doctor, optician, dentist etc and even to the shops. Car journeys are not normally undertaken during evenings or weekends.

### How does the DVG operate?

Our volunteers use their own cars to drive individuals, or operate the Handybus for group transport.

The Handybus is used on weekday mornings to transport patients to the Chieveley and Compton

Surgeries and volunteers drive it for shopping trips most afternoons. The bus is a community asset and can be hired by any social group, club, etc – subject to the availability of a volunteer driver. It has thirteen passenger seats, so it can be used for away fixtures by schools, clubs etc who have football or other teams.

### I'd like to help - do I have to be retired to be a DVG volunteer driver?

No – we are delighted to receive help from people of all ages and circumstances. We are asked to assist with a wide range of journeys at short and long notice, so shift and part time workers can be very useful additions to our team, as well as people who aren't currently employed outside the home. If you are only prepared to undertake local trips we can accommodate that in our planning, but we will also be very pleased to hear from drivers happy to travel to the hospitals in Oxford and Reading – parking permits can be supplied to make the trip as easy for the driver as possible.

## NEWS FROM THE VILLAGE HALL.

Doug has resigned from The Village Hall Committee so we now need a Chairperson urgently. As well as this the village hall committee is very small and desperately needs more people to get involved so that we can keep the hall running smoothly. Please call Neil Slater if you can help on 281325.

We would like to thank Doug for all has done on the committee over the last year and wish him well with his future plans.

The next meeting will be on Tuesday May 10<sup>th</sup> at 8pm in the Village Hall.

Sue Simmons is now our Bookings Secretary as well as our Treasurer. Please could we request that enquiries are only made between 9am and 3pm from Monday to Friday, so that village hall business becomes a little more manageable?

The Village Hall will be unable to organise a Village Camp Out this year as we are so few in numbers therefore if anyone else in the village would like to take this on it would be fantastic.

Don't forget to come to Easter Bingo at the Village Hall on April 22<sup>nd</sup> at 7.30pm

## DOWNLANDS MONTHLY UPDATE - MARCH 2011

Here is this month's latest update for the Downlands neighbourhood.

There is a new website [www.police.uk](http://www.police.uk), set up by the government to allow members of the public to view the crime figures for the area or road they live in. It is a useful website as it not only provides you with crime figures

but allows you to see who your current neighbourhood police team are, and how to contact them but also has advice on crime prevention. During February, Thames Valley Police executed a drugs warrant at an address in East Ilsley after receiving intelligence suggesting cannabis cultivation was occurring at this address. When officers entered the property they discovered a large amount of cannabis being grown. All of the plants were seized and destroyed, along with the equipment to grow these plants. If you have any information about possible cannabis cultivation please report it immediately using the non-emergency number 0845 8 505 505. What to look out for, signs that a building may be being used for cannabis cultivation include 'windows always closed and blacked out', 'activity only heard during the night', 'unusual smells or sounds', 'fertilizer bags, grow bags or water piping lying around', 'more bin bags outside property than usual', 'new locks or alarms installed', and 'other suspicious or unusual activity'.

Throughout February, we received a small number of reports about anti-social behaviour in Leckhampstead village. All of the incidents were dealt with quickly and effectively, and did not result in any further actions being taken. If you witness any anti-social behaviour such as underage drinking, noisy or abusive behaviour please report it to us on 0845 8 505 505, or if you would like to discuss with me any concerns or issues please phone the above number or email me [dominic.bartlett@thamesvalley.pnn.police.uk](mailto:dominic.bartlett@thamesvalley.pnn.police.uk).

Although the Downlands neighbourhood has a very low burglary rate, a resident in West Ilsley suffered a burglary whilst away on holiday. The police are still currently investigating this offence. However I would like to take this opportunity to emphasise the importance of reporting suspicious activity or behaviour. If you see someone who is acting suspiciously please try to provide a good description of the person, try to record the persons, age, build, ethnicity, hair colour/style, clothing, distinguishing marks (tattoos, scars, piercing, etc) and direction they left in. Alternatively you may see a suspicious vehicle, if

so try to record the vehicle registration number first followed by the make, model and colour. Please report it to us immediately using the non-emergency number, as information from the public is vital in helping to prevent and detect crimes.

Following on from the above there have been numerous farms across the Downlands who have had people visiting and asking for scrap metal. Due to the price paid for scrap metal being so high, there have been a number of reports of metal being stolen across West Berkshire. We are always keen to know who these people are who deal in scrap, so please use the above information to report it if you are approached by any one asking for scrap metal.

I am always looking to attend parish council meetings, coffee mornings/afternoons, etc, so if you would like me to attend please email me [dominic.bartlett@thamesvalley.pnn.police.uk](mailto:dominic.bartlett@thamesvalley.pnn.police.uk).

I will be visiting The Ilsley's primary school in East Ilsley on 1<sup>st</sup> April to talk with the Year 5 pupils on personal safety. The talk will cover subjects and issues that may arise when they are out with friends after school or during school holidays, and each pupil will be given a young persons high-way code.

I am still working hard to promote community messaging and the benefits it has for our community. It is a free service that provides information to subscribers about crime and police activity in their area via phone or email. It also includes information on what we and our partner services are doing to bring offenders to justice or combat anti-social behaviour, and information on opportunities for local residents to raise concerns with their local policing teams. More information can be obtained directly from me or via our website, and you can sign up here too:

<http://www.tvpcommunitymessaging.org/rmwebportal/startup.aspx>

You can now send non-emergency messages to us using the online form that is available on the Thames Valley Police website. A number of people have already sent their concerns using this method. To do this, please follow the link:

<http://www.thamesvalley.police.uk/yournh/yournh-about-nh-pol/yournh-tvp-pol-area-n155-hys>

Please allow some time for us to get back to you as we do check our mail box only at certain times of the day.

**For more information about your local Neighbourhood Police Team, contact 0845 8 505 505 or visit [www.thamesvalley.police.uk](http://www.thamesvalley.police.uk)**

## CHILDREN'S CHURCH, ALL SAINTS CHURCH

A big thank you on behalf of the children from All Saints Church to David and Jane Carlisle for giving us such a lovely afternoon at Folly Farm on 17 March. Some of the lucky children were able

to see a lamb being born whilst the rest of us learnt a lot about the lambing process and the children were able to ask multiple questions! Homemade cakes and tea disappeared very quickly at the farmhouse and we were blessed with a beautiful Spring day which gave the children the added bonus of a lovely play in David and Jane's garden. Thank you to all those who came and for your very generous donations which enabled us to present a total of £101.50 to West Berks Mencap.

On 7 April we will be back in church at 4pm where we will be learning about "Lent".

If you would like any further details please do contact either of us on the following numbers:

Denise Brown on 01635 281825

## WEST ILSLEY VILLAGE FETE SUNDAY 3rd JULY

The fete committee this year is Alan Bloor, Doug Brown, Jo Coles, Terri Muggeridge and Hayley Watling.

Could everyone please collect their un-wanted, chipped crockery for our crockery smashing stall. You can drop it off at The Harrow or bring it along on the morning of the fete. Also last year the second hand clothing and bric-a-brac stall was a great success so we are having another one this year, so please keep hold of any clothes, toys, books etc. that you no longer want or need. Anyone wanting a stall at this years fete please contact one of the committee members.

A quick reminder about the Guy building competition, hope all the children of the village are busy building. There will be two age groups, under 10's and under 16's.

Calling ALL under 11's. This year we have decided to give the children of the village a chance to put their artistic skills to use and design a post card advertising The West Ilsley Village Fete on Sunday 3rd July. All entries to be in by the end of April. Drop them off at The Harrow where Pete or Hayley will happily look after them

until we judge them. The winning post card will be used round the local villages to advertise the fete. GOOD LUCK !! Potatoes are NOW available at The Harrow for the potato growing class. Grab yours while they last !! This years childrens fancy dress competition is a Royalty theme, look forward to seeing all your efforts! We will be having a best childrens garden competition, please contact one of the committee members to let us know you are entering.

## TENNIS COURT

After a year of incredibly hard work by the members of the West Ilsley Tennis Court Management Committee we will shortly be opening the village's newly refurbished tennis court for another year of use by the residents of West Ilsley and neighbouring villages. Watch this space! Once the newly resurfaced and re-fenced court is opened we will be encouraging past season ticket holders to renew their membership and will also be out scouting for new members. There will be one or two changes to the way we operate this year. We have been advised that the only way to avoid damage to the fence from people climbing over it is simply not to lock it in the first place so there will no longer be a combination lock. In addition, in an effort to ensure everyone uses the court considerately and respectfully we will be introducing a Code of Conduct covering various items such as appropriate footwear, detensioning the net after use etc. Other aspects will remain the same this year, for example, the on-line booking service and, most importantly, our fees! One further

change will be the committee's Chairman. Once the court is handed over to us as a finished product by Academy Sports I will be stepping down and Alan Muir has kindly agreed to take on the role. Before I go though, I wanted to thank the utterly brilliant members of the committee who have worked so hard to raise the funds to refurbish the court and all the villagers who have supported our events. Also, particular thanks are due to Greenham Common Trust's and West Berkshire DC's "Vibrant Villages" scheme, West Ilsley Parish Council/West Ilsley Trust and the Fete Committee for their kind contributions of £4,500, £500 and £100 respectively. These donations are very much appreciated and were a massive boost to the progress of our refurbishment project. Without them, we would still be fundraising. Thank you! Amanda Knight

**ILSLEY UNDER FIVES**

Ilsley Under 5's is an established parent and carer run playgroup in partnership with Sure Start offering a great space to play in a friendly and safe environment. It is a great opportunity to get together with other local families and chat, play,

go on picnics, trips, learn together or just have fun. Every week we provide a creative activity such as painting, play dough and sticking, and special themed events throughout the year.

We provide drinks and snacks for the children, and tea and coffee for the adults and every session ends with circle time sing song.

Sure Start are currently experiencing difficulties all around the country due to cuts in grants from the government and for that reason our local Sure Start Family Support Worker is only able to come and help us every other week at the moment. We have however been assured that the partnership remains in place for now.

If you're planning a birthday party or any other event, remember that the Ilsley Under 5's small tables and chairs as well as our toys are available for hire throughout the year. All for a donation of £10.

Please contact me for more details.

We meet on Wednesday mornings: 10:00 am – 11:30 am in West Ilsley Village Hall. Simply pop along and join us. New members are always welcome.
